You are invited to join us and STAND IN THE GAP. In Ezek. 22:30 the Lord says; "I looked for someone among them who would build up the wall and stand before me in the gap on behalf of the land." We are going to spend the next weeks in Bible Study and prayer for healing and wholeness for several areas in our communities. We are going to pray together for our schools, our communities, for the neglected in our society, for those who are struggling to recover from addictions, for many different areas of life in our community. Come join us on April 28th in hearing from people in these situations, hearing from the Word of God and praying on behalf of different needs in our community. It is going to be a great time together around the word of God.

The Book of Judges

Auditorium- Pastor Paul

On Wednesday night for our adults you can come be a part of our ongoing Bible study and prayer time. We have a great time in sharing what God has been doing in our lives, praying for one another and hearing from the word of God. We are currently studying the book of Judges. It is amazing to see how God works in the lives of His children and to recognize the principles by which God moves in His world.

In His Image

Women's Study

Room 013 (Basement)- Susan Baker

Sometimes we ask What is God's will for my life? when we should really be asking

Who should I be? The Bible has an answer: Be like the very image of God. By exploring ten characteristics of who God is - holy, loving, just, good, merciful, gracious, faithful, patient, truthful, and wise- this book helps us understand who God intends for us to be. Through Christ, the perfect reflection of the image of God, we will discover how God's own attributes impact how we live, leading to freedom and purpose as we follow his will and are conformed to his image.
